3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.

The text should appear around the exterior of the folded cover, not the interior.

David Hume

History Of England, Volume 1A

David Hume is one of the great philosophers of the Western intellectual tradition. His philosophical writings earned him lasting fame and renown; his historical writing earned his bread and butter. His "The History of England from the Invasion of Julius Caesar to the Revolution of 1688", published between 1754 and 1764, was immensely popular and Hume wrote that "the copy-money given me by the booksellers much exceeded any thing formerly known in England; I was become not only independent, but opulent."

The six volume work has had numerous editions and is still in print today. David Hume and Thomas Babington Macaulay have frequently been compared as the premier English historians but we don't have to choose because Macaulay begins where Hume leaves off. (Summary by Richard Carpenter)
